Honeywell

MOBILE

LNX3 3-Inch Mobile Printer

Durable, rugged direct thermal printer with intuitive set-up and interface for premium printing performance for transportation and logistics, retail, and manufacturing applications.

Overview

LNX3 mobile label and receipt printer brings the power and reliability of Honeywell printers into a durable, lightweight, direct thermal printer meeting or exceeding industry printer specifications.

The large 2.4 inch color screen display streamlines configuration and operation at the touch of a button and is backed up by a fast energy-saving processor and powerful printheads and high-performance motors.

With leading print speeds up to 5ips, the LNX3 printer supports large-volume label and receipt printing requirements in longer intervals helping boost productivity. A removable high-capacity battery and precise power management system provides uninterrupted printing across long operating and standby times.

Effortlessly connect with MFi, NFC pairing, and both Bluetooth® and Wi-Fi options. Print from almost any device with Windows®, iOS, and Android™ compatibility.

Drive productivity and improve inventory management with the LNX3 Mobile Printer.
